

((QUALITY ASSURANCE POLICY – TECHNICAL ENGINEERING COLLEGE))

1. INTRODUCTION

The Department Quality Assurance Policy is an integral part of the overall quality assurance framework of the Technical Engineering College. It aims to establish a culture of quality and continuous improvement across all academic, administrative, research, and community engagement activities.

2. VISION

To achieve academic and administrative excellence in line with national and international quality standards, ensuring the graduation of competent and innovative engineers.

3. MISSION

To implement a comprehensive quality assurance and self-evaluation system that enhances academic performance, improves program quality, and ensures satisfaction of students and stakeholders.

4. OBJECTIVES

1. Ensure the implementation of institutional and national quality standards in teaching and learning.
2. Foster a culture of continuous improvement in academic and administrative performance.
3. Develop mechanisms for self-evaluation and monitoring key performance indicators (KPIs).
4. Follow up on the implementation of accreditation recommendations.
5. Engage students and external stakeholders in development and improvement processes.

5. SCOPE OF APPLICATION

This policy applies to all academic and administrative activities in the department, including:

- -Curriculum development and review.
- -Evaluation of faculty performance.
- -Quality of teaching, learning, and research.
- Student services and academic advising.

6. IMPLEMENTATION MECHANISMS

- Establishment of a Department Quality Assurance Committee, chaired by the Quality Coordinator.
- Preparation of an annual quality assurance plan aligned with the college's plan.
- Conducting annual self-evaluation and implementing improvement recommendations.
- Organizing workshops and training sessions on quality practices.
- Collecting and analyzing feedback from students, graduates, and employers to assess satisfaction levels.

7. MONITORING AND REVIEW

- This policy is reviewed annually by the Department Quality Committee in coordination with the College Quality Assurance Unit.
- Updates are made as necessary to ensure alignment with accreditation requirements and modern educational standards.
